

## NINJIO GAMIFICATION

Users can earn up to five points per NINJIO course. Points are awarded based off *Engagement* and *Exam* performance.

Engagement Performance is based off how quickly a user views the training course.

Course started within 24 hours	2 points
Course started within 72 hours	1 point
Course started after 72 hours	0 points

Exam Performance is based off the score a user receives on the exam at the end of the course. To pass the course, a user must select all the true statements within three attempts.

First attempt	100% score	3 points
Second attempt	75% score	2 points
Third attempt	50% score	1 point
Fourth attempt	Fail	0 points
